CAMP HOOPSTAR

Anthony McCall's Camp Hoopstar provides a positive and fulfilling learning experience for basketball players. Campers enjoy learning the finer points of the game and how to have fun doing it. Camp Hoopstar provides instruction in the fundamentals of basketball, such as defense, shooting, rebounding, ball handling and passing. Team concepts and the principles of sportsmanship are also stressed to campers as they learn the meaning of teamwork, hustle and discipline. Campers learn to compete and use skills acquired in five-on-five team situations with skill development as the primary focus. Campers focus on the game's fundamentals rather than the traditional one-on-one, hot shot or team competitions. Each camper will receive a camp t-shirt and souvenir ball.

Coach McCall has served as the Academy's boys' varsity basketball coach for the past thirteen years. A graduate of Sidney Lanier High School and Auburn University, Coach McCall excelled in basketball and football. In 1985, he received the Jimmy Hitchcock Award for Outstanding Leadership in Athletics.
