ATHLETIC TRAVEL PERMISSION FORM

Dear Parents:

This is an athletic travel permission form. It must be filled out and returned to your child's coach before the upcoming season. We will follow these guidelines when traveling to all of our athletic contests.

1. INTOWN CONTEST: Intown contests are defined as ones that are versus a team within the city limits of Montgomery. For intown contests, it is preferable that a school bus be used. However, with the number of teams we have, this is not always possible. When a bus is not available, parent carpools may be used. Students will be allowed to drive to intown contests, but only if their parents have filled out permission form. Students may ride with other team members under two conditions: a) the student that is driving must have permission from their parents to drive other athletes and b) students that are riding with other team members must have permission from their parents to do so.

2. OUT OF TOWN CONTESTS: When traveling to any out of town contest, it is preferable that teams use school buses or rented vans. Parent carpools may be used. UNDER NO CIRCUMSTANCES ARE STUDENTS ALLOWED TO DRIVE TO AN OUT OF TOWN CONTEST.
